A PROGRAM OF EXCELLENCE

We seek to help children grow mentally (wisdom), physically (stature), spiritually (favor with God), and socially (favor with men) based on a purely biblical worldview.

Our educational philosophy is based on sound research and principles. We adhere to specific criteria for optimum learning environments as established by the NAEYC (National Association for the Education of Young Children). We work within the framework of developmental stages, employing age-appropriate activities, and strive to impart a lifelong love of learning.
