Uniform Policy

Our Uniform Policy is created with a desire to promote an environment of learning where our dress is not a distraction to the educational process. Key principles include:

- Our goal is to honor God in all we do, acknowledging the Lord in our choices, including uniform choices.
- All human actions, including our outward appearance such as clothing and shoes, reveal and communicate the disposition of the heart.
- Clothing represents the vocational calling of the student. Inherent in the uniform standard is a desire to create an environment where undue attention is not drawn to specific students.

Students are expected to be in uniform while at school unless told otherwise. ACA administration and staff are responsible for the determination of the code. Enforcement of the code is the responsibility of parents, administration, faculty, and staff.

Uniform Policy cont. . .

This Uniform Policy applies to Monday, Tuesday, Wednesday (Enrichment Academy), and Thursday school uniforms.
